

## EARN UP TO \$300 FOR A SCHOOL CONSERVATION PROJECT!

We want to hear your conservation project ideas! All K-12 schools in Vanderburgh County are eligible. We are accepting applications for school conservation projects in the following topic areas:

Soil Health

Soil Erosion

Water Quality

Small-Scale Agriculture

Tree Plantings

Pollinator Habitat

Invasive Species (flora only)

Rainwater Harvesting

Sponsored by the Vanderburgh & Warrick County Soil & Water Conservation districts. For more information contact Erin Shoup, 812-423-4426 (ext. 3), [erin.shoup@in.nacdnet.net](mailto:erin.shoup@in.nacdnet.net). The deadline to apply is January 17, 2018.
